

Elinor Holiday Cottages

Elinor holiday cottages are a fantastic luxury 2012 conversion of redundant farm buildings set next to a trout lake with some of the best unspoilt scenery in rural Northamptonshire.

Two self-catering cottages both on ground floor.

“Kingfisher” is a three bedroomed unit with master en-suite, twin and single bedrooms. There is also a family bathroom, kitchen diner & large lounge with French doors onto the patio.

“Dragonfly” is a two bedroomed unit with a large double & twin bedroom; this has a family wet room. Being on the same level it is ideal for disabled access

Located in the heart of the Nene Valley, the cottages are halfway between the market towns of Oundle & Thrapston. Access by major roads is excellent

Ideal for walking, cycling, fishing (fly) or just plain relaxing.

Northamptonshire is the county of “squires & spires” so has some of the best country houses to visit such as Althorpe, Boughton, Castle Ashby & Rockingham along with historic churches.

Canoeing along the River Nene is fast becoming a must.
